Ô Drop, the new unusual accommodation for a couple or a family.

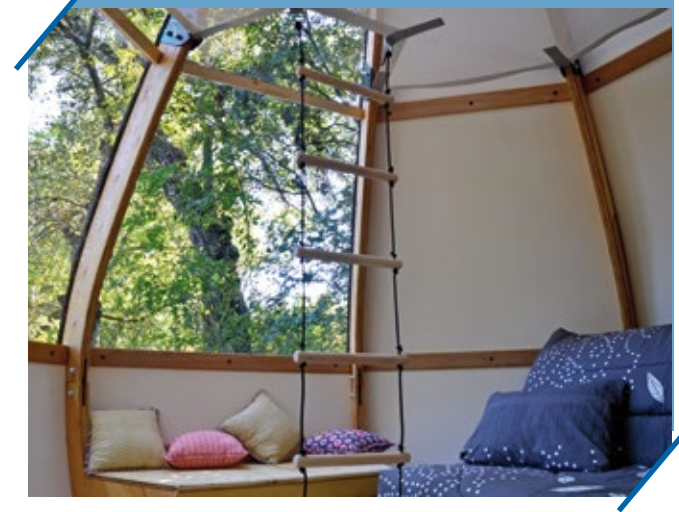

## FEATURES

💧 **Original** Its unique look will help you stand out from traditional accommodations. Its great bay window in transparent polycarbonate offers a 180° panoramic view, the ideal condition to enjoy nature.

💧 **Profit** Accommodate up to 4 guests (2 adults and 2 children) with the comfortable hammock of your Ô Drop! The thermal insulation means that this accommodation can be operated until the mid-season: it is quick investment return.

💧 **Durable** Built in Drôme (Southern France) with materials both very strong -like steel, and sustainable -like wood. Ô Drop is both environmental and very easy to maintain. Its outer shell is made of lacquered metal sheet, guaranteeing a longer life for your investment.

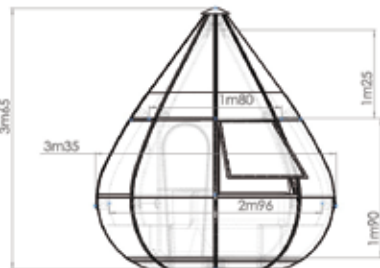

💧 **Useful & flexible** Build your Ô Drop on the ground, on a wooden terrace or let it hang from one or several trees. Design and customise the colour and arrangement of your Ô Drop for free.
